

### Dr. Robert Marshall, PhD, CCN, DACBN

The founder of Premier Research Labs and Quantum Nutrition Labs, Dr. Marshall is a certified and internationally trained clinical nutritionist and has a PhD in biochemistry. He is past president of the International and American Association of Clinical Nutritionists, member of the American Society of Tropical Medicine and Hygiene, and the host of *HealthLine*, a radio broadcast program aired continuously since 1986. (*HealthLine* is currently aired in over 15 states.) Dr. Marshall is also the author of many research papers and articles.

Dr. Marshall has operated one of the largest chronic illness practices in Southern California. Currently his main activities include overseeing Premier Research Lab's and Quantum Nutrition Labs manufacturing of products, as well as writing and teaching professional seminars.

Along with Dr. Marshall, a growing number of pioneering scientists, some of them Nobel Laureates, have been diligently mapping the body's Biofield patterns associated with healing and regeneration. In the past decade, this work has progressed to a point where effective solutions are now available.

QRA (Quantum Reflex Analysis) which is the result of more than 30 years of intense research and development by Dr. Marshall is one such solution.
